

## **Donna Ceriani**

Leadership Success Coach  
Success Compass Strategies, LLC

As a consultant, executive coach and speaker, Donna approaches new challenges with an explorer's mindset. She helps clients navigate new terrain as they expand their organizations, face constant change, strengthen their leaders and engage employees for the best results possible. Her clients value the breadth of her leadership experience and pragmatic approach to help them achieve their goals.

Donna has 30 years of senior leadership experience in technology across the US, Europe and Asia in the financial services, health care and technology industries. She is most often recognized for her talent to bring out the best in teams and individuals, inspiring them to accomplish something great.

Leading transformational initiatives and pursuing new ventures are thrilling challenges for Donna. She has reengineered global client services, implemented new companywide systems, created bench strength across the Asia region to prepare for revenue growth unanticipated business disruptions. She has led initiatives, establishing new company cultures, workplace values and employee engagement programs propelling companies to earn recognition as a "Best Place to Work".

Donna has led organizations within Omgeo LLC, State Street Corporation, Digital Equipment Corporation and UMass Medical Center with positions such as: Executive Director of Client Operations, VP of Global Network & Computing Services, Senior Manager of IT, and Director of Computer Services.

To support her clients, she leverages a vast toolkit developed throughout her career including certifications in professional coaching, Myers-Briggs personality type, emotional intelligence, MRG's Leadership Effectiveness Assessment, change management and personal branding.

She has a bachelor's degree accounting and information systems, has lived in Boston, Manhattan, France and Singapore, traveled to 32 countries and always counts the days until her next travel adventure.
