

Joel D. Jacobs

Executive Consultant and Former
CIO and CSO, MITRE Corporation

Joel Jacobs is a nationally recognized CIO with almost 40 years of IT and security experience. He is currently an executive consultant to emerging businesses. For more than a decade, he was CIO and CSO at the MITRE Corporation, a \$2 Billion research systems engineering firm. He led a staff of 700 and a \$120M budget for planning, development and operations of critical enterprise services including:

- IT infrastructure, applications, business systems and end-user services
- Knowledge Management (KM) systems
- Technical and Analytic Computing
- Cyber, Corporate, and Physical Security
- Corporate Communications and Public Affairs

During his tenure, the company received recognition from the CIO 100, InformationWeek, Computerworld 100 Best Places to Work in IT (11 times), and the Most Admired Knowledge Enterprise (MAKE) awards.

Joel retired from MITRE in 2018 having been elected to the CIO Hall of Fame in 2018, named Boston CIO of the Year (in 2012 and 2018), the FCW Federal100 in 2015, and named a Computerworld Premier 100 IT Leader in 2011.

Earlier in his career, Joel worked in technology leadership roles and as CEO of Onsett International, a strategic IT consulting firm advising a wide variety of companies including Fortune 100 companies on IT Service Management and Cyber Security and Privacy programs.
