

Pathways Organizational Leadership Development Group Mentoring Certificate Program

OVERVIEW

The Group Mentoring Certificate Program provides emerging leaders with the opportunity to learn from an experienced CIO via an intimate group setting. This unique environment enables peer discussions on current leadership challenges to gain perspective and advance careers. Through a series of interactive engagements, participants will build a network of trusted advisors, gain confidence, and learn real-world success strategies.

PRODUCT OFFERING

- Six, 1-hour group mentoring sessions with structured agendas on topics such as: *Communicating the Value of IT, Stakeholder Relationships, Executive Presence, Change Leader Mindset, Strategic Decision Making, and Your Leadership Style*
- Mentor group facilitated by CIO Executive Coach
- 30-minute private introductory and closing calls with CIO Executive Coach
- 6-10 participants per group
- 90-Day Action Planning with CIO Coach to ensure participant is on track with their goals
- Collaborative assignments, readings, and tools to support development of new behaviors
- Access to CIO Executive Council webcasts, roundtables and online forums
- Digital Certification upon completion of program

OUTCOMES

- Advance career in line with your development plan
- Enhance leadership skills and personal confidence
- Broaden business knowledge and competencies
- Improve readiness for next leadership role
- Expand professional network and resources

“My involvement in the Council’s Pathways program has been invaluable to me as I lay the groundwork for my professional development. The mentoring and collaboration with so many accomplished individuals creates a network of experience, counsel and guidance that is vital to the progressive development of any CIO. I believe the connections I have made through the CIO Executive Council will be viable throughout my career.”
